MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army National Guard Interstate Transfer (ARH Memo 04-019)

1. Reference Chapter 5, Section VII (Interstate Transfer), NGR 600-200, Enlisted Personnel Management, dated 1 March 1997.
2. Effective immediately the following changes are made to Paragraph 5-34 of NGR 600-200. These changes will be incorporated into the new NGR 600-200, when update is released.
  - a. 5-34a: Second sentence is changed to read: "It also permits soldiers to transfer for the purpose of functioning in a position in which MOS Qualified or transfer to enter active duty with a unit being called into active Federal service per paragraph 5-50."
  - b. 5-34e(3): Second sentence, delete the word "not."
  - c. 5-34e(4): Second sentence, delete the word "not."
  - d. 5-34e(5): Delete entirely.
  - e. 5-34e(6): Change (6) to read "(5)."
3. These changes are being made to clarify that Interstate Transfer is not solely for the purpose of allowing a Soldier who is relocating to another State to reenlist in the ARNG of the new State prior to moving. Interstate Transfer is also an effective tool that allows ARNG Soldiers to join units in another State to be given the opportunity to serve in their current career fields rather than being retrained. Soldiers who request an Interstate Transfer to another state for MOSQ reasons, waive their ability to request discharge on the basis of the distance required to commute to training.
